Re: Case Index# 07CV9897

Dear Honorable Judge Bryant,

I am writing to you to ask for my name to be removed from the above law suit. My permission was not obtained to be on such lawsuit. I have called Mr. Steven Jackson (lawyer on this case) several times and written him letters dating back to December of 2007 asking for my name to be removed. I do not know where else to turn. Please have my name removed.

Very truly yours,

Valerie Campbell
